- Describe 2-3 important experiences from your life that have helped shape the kind of person you are (for example, family experiences, activities, interests, hobbies, places in which you have lived or visited, service to others, etc.).
- What do you think it means to be a Christian? Describe some of your thoughts about God and/or your relationship with Him over the last year or two leading up to the present, noting any high or low experiences you feel comfortable sharing with us.

Please neatly write your essay on separate sheets of paper, typed essays will not be accepted. While a sincere and well-thought out essay is most important to us, do your best to demonstrate logical organization, clear transitions between paragraphs, proper sentence structure and variety of expression, and absence of mechanical errors.

The school does not discriminate in the admission of its students in its offers of financial or other aid nor does it discriminate among its students, on the basis of religious belief. It does not, in the operation of its school, favor or disfavor students on the basis of their religious beliefs such that a reasonable student would assume that the benefits of the school would be more likely conferred upon him or her if the student adopted certain religious beliefs or practices. It does not impose requirements that would tend to discourage prospective students of different religious persuasions from making application to the school or students of different religious persuasions from availing themselves of the school's programs.

I certify that all information given on all application materials is correct and complete. I understand that any omission or misinformation may result in denial of my application or dismissal from Phoenix Christian Unified Schools.
